400 ENTRIES EXPECTED IN TRACK CHAMPIONSHIP

Four hundred entries from the five county divisions are expected in the county championship track and field meet which will be held at Round-Up park next Saturday, May 1, starting at 1:30 o'clock. Pendleton, Pilot Rock, the West End, the East End and Athena-Weston-Helix districts will compete.

Athletes from both the grades and the high schools will vie for honors, including the two trophy cups of the Pendleton Commercial Association and ribbons. The grade school entries are divided into four classes, according to weight, and one class for all the high school entries.

Compete by Sections
Entries will represent their section and not their particular school. Thus, although Milton-Freewater, Athena, Echo and Pendleton high schools were accepted a position with the East winners in their respective sectional Oregonian Publishing Co. in the bimonthly, entries will compete for their

sections. Each high school won the meet at Echo Saturday, with Hermiston second, and Hermiston won the grade school meet, with Echo second and Columbia third.

Nearly 30 judges and other officials will handle the meet, the first event of which will be the weighing of entries, starting at 1 o'clock. Youngsters will be run across the scales in a hurry and any that tip the beam in their own class will have to enter the class ahead. Youthful of 70 pounds and under are in Division A; and those of 100 pounds and under in Division B; those of 115 pounds and under in Division C, and above 115 pounds in Division D.

Points on 5, 3 and 1 Basis
Points will be scored for first, second and third places, with 5 for first, 3 for second and 1 for third.

The county directors plan to have a large attendance of parents and friends of contestants present, and preparations are being made to handle a big crowd. A slight admission will be charged.

Takes New Position
Miss Dovie Oliver, of this city, has accepted a position with the East Oregonian Publishing Co. in the bimonthly, entries will compete for their

WILLIE HOPPE TO SHOW SKILL BEFORE AUDIENCE OF LOCAL MEN FRIDAY

Willie Hoppe, world's champion billiardist, will give two exhibitions in Pendleton on Friday, one in the afternoon and another in the evening. He will play at the Cozy Billiard Parlors. WALLA WALLA LEGION SMOKER TO BE FRIDAY

Johnny Noye and Carl Martin are matched as headliners on the boxing card which Walter C. Lee Post, American Legion, will put on in Mercy theater, Walla Walla, next Friday night. A large number of Pendleton fans are planning to see the smoker as a return compliment to the large number of Walla Wallans who attended the legion smoker here April 10. Buddy Stevens, of Pendleton, is fighting in the semi-windup, his opponent being Frankie Webb. These boys are evenly matched and have met before, so a real battle is expected. Both events will be for six rounds of two minutes each, the limit allowed under the boxing code of Washington.

Two four round bouts and two three round affairs are also in line. The four round affairs will be between Gene Bartlett and Buddy Clark, and Richie Davis and Bob Fiddler. The three round artists have not been named.

FULL BASKETS NOT IN ORDER AFTER SUNDAY

Full baskets of trout were not in order Sunday night, although several dozen fishermen thronged the streams Sunday. A few good catches were reported this morning but for the most part water was found too swift and high and several had few fish and good fresh coat of tan to show.

Guy Cook, fishing in Meacham creek near Duncan, took about a dozen good trout. Fred Beck went up Squaw creek and got 42. Bob Wheeler went up Meacham creek and had nine good trout to show for his trouble. Ray Spangle and Joe Despain, fishing around Haron, got 21 trout between them.

Fish bit late in the afternoon, the anglers report, and fishing was just getting good when the water clouded up, due to the melting of snow because of the warm day.

(By Associated Press.)
SEATTLE, Wash., April 27.—University of Washington crew men are working on Lake Union here every day in preparation for the race against the University of California here May 22.

Washington's crew will outweigh the California oarsmen about five pounds to the man, according to early figures. The southerners, however, will average about one inch in height over the local men.
